

IN SINK ERATOR®

RING KING™ SNAP RING PLIERS

Install snap rings... in a snap

*Never wrestle with
another food waste
disposer snap ring!*

The Ring King snap ring pliers from In-Sink-Erator makes short work of installing snap rings onto any Quick Lock® sink mount.

The Ring King™

Just 3 quick & easy steps to install disposer snap rings

Step 1 Place snap ring onto Ring King pliers.

Step 2 Squeeze handles to open snap ring and slide Ring King and snap ring over sink flange opening.

Step 3 Turn Ring King on its side to release snap ring onto disposer flange.
